Re: John G. Spirko, Jr.

Dear Mr. Hill and Mr. Dunn:

Per the enclosed letter, I have requested that the Governor grant an additional 120-day reprieve to allow for completion of your requested DNA testing.

I would also like to arrange a date and time for you to travel to the BCI&I Lab to review the physical evidence once again. Please let me know if your schedule allows this evidence review to occur on any of the following dates: June 21st, 23rd, 29th, 30th, or July 5th or 6th.

Finally, I have received your June 12, 2006 letter and will address any questions still unanswered after your second review of the physical evidence in a subsequent letter.

As always, please let me know if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Heather L. Gosselin".
